

Verify Your Paychecks!

It's a new year! Remember to check your paycheck for accuracy! Employees are responsible to verify the accuracy of any direct deposits or manual checks received each pay period.

Also, remember to verify your hours, rate of pay, deductions such as medical/dental insurance, life insurance, flexible/child care spending and any other deductions or reimbursements. Employees should contact their Department Director if there is an error in hours or pay. If there is an error in benefits, employees should contact Maurine Perry at ext. 9092.
