Volunteers...

**Willing Hearts,
Helping Hands.**

Why become a Volunteer?

Volunteers are essential to healthcare. Hospitals simply wouldn't function well without them. At Knox Community Hospital, volunteers are an important part of our team, whether caring for patients or helping out behind the scenes. They provide a personal touch to the hospital experience for patients and other guests.

Volunteer Benefits:

Knox Community Hospital is an exciting place where you can meet new people, make new friends and be a part of a team. Volunteering at Knox Community Hospital offers you the chance to use your existing skills to help others; it gives you the opportunity to develop new skills.

Other benefits volunteers enjoy:

- A free meal voucher
- Free flu vaccine
- Special awards based on hours of service
- Reduced rate at the Center for Rehab and Wellness
- Educational workshops

Volunteer Opportunities

There are many areas where you can make a difference at Knox Community Hospital.

Some of those areas are:

- The Front Desk of the hospital, as a greeter giving directions and providing patient room numbers
- The Gift Shop, as a sales clerk
- Surgery Waiting, relaying messages from surgery to waiting families
- Central Registration and Specialty Clinics
- The Community Health Resource Center helping connect people with information about wellness and disease management
- The Lab Courier, transportation of items between Knox Medical Pavilion and Knox Community Hospital

Be the one that makes a visit to Knox Community Hospital a pleasant experience for many patients, and their families. Contribute your time and talent to a team of people who genuinely care about improving the health of those we serve by becoming a Knox Community Hospital Volunteer.

If you would like to join the volunteer program at Knox Community Hospital, contact Cathy Rinehart, Volunteer/Student Coordinator, at 740.393.9079.
